ABOUT SEVEN SEAS

A home is an amalgam of love and life, and should reflect the attitude and style of the occupants -- especially that of the homemaker. That is the simple logic that inspires the Seven Seas range of products, which brings a touch of international class to your home – by importing stylish, smart and superb kitchenware and household items.

Why Seven Seas?

Seven Seas brings the world to you, with the best international designs in kitchenware, tools and household items. These products are of the highest possible quality, sourced from the best factories with our direct supervision and quality control. Seven Seas includes not just functional, but also luxurious and high-end products that are stylish, modern and innovative. Despite being sourced from around the world, these products are sure to match your needs perfectly because the designs are customised based on our understanding of the Indian customer's needs.

Name the product and you shall get it from us; plus with our uncanny readiness to customise, you can rest assured that you will indeed get what you really want!

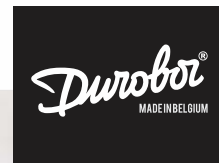

Seven Seas pampers you with all the handiness and bravura you can get—from around the world—making cooking less stressful and more enjoyable, so you can pour all your love into it without being tired out. With its wide spread of kitchen and household articles, it enables you to radiate your style and attitude all through your home.

What is our vision?

We aim to bring the world within your reach—with the best and most convenient products and brands, keeping in line with modern trends. Our vision is to revolutionise traditional cookware and bring in elements of utility, luxury and class.

We have a wide range of products, not just for your kitchen and dining needs but for other aspects of home-making too, including a ranging of tempting goods for kids. We are focused on constantly revising our offerings, to keep in touch with the latest trends and to excite you with something new and useful every time you come back to us!

In short, Seven Seas aspires to bundle every product with the 'power of seven': quality, affordability, durability, innovation, variety, genuineness and best price.

DUROBOR® IN FEW WORDS

INNOVATION, DESIGN AND EXPERTISE

Durobor® was established in 1928, as the first company to introduce the automated process of manufacturing drinking glasses in Europe. Today, Durobor® continues in the same spirit of innovation, with its philosophy of market pioneer and stands out as a designer, producer & concept leader not just as a manufacturer.

The well-known innovative design of Durobor® glasses is adapted to their use and to meet the requirements of the professional sector: an ultimate combination of attractiveness and functionality.

TREND SETTER

Recognised around the world for its specific glasses dedicated to the world of drink. Durobor® has come up with a truly revolutionary concept: the stunning glass receptacles that can be used for food. Ultra chic glasses & verrines which combine the joys of design and art de la table.

HEAVY BASE & BUBBLE

The Bubble in the heavy base: a distinctive symbol of Durobor®

DECORATION EXPERTISE

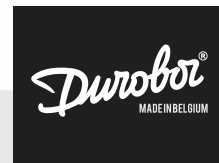

Durobor® is one of the main suppliers of glasses to the beverage industry: design, production & decoration expertise.

MADE IN BELGIUM

Each glass produced by Durobor® is made in Soignies plant, Belgium.

DUROBOR® QUALITY

Durobor® glass are renowned for their quality and robustness. Professionals are the best ambassadors.

WHY DUROBOR®

LONG LASTING & MORE RESISTANT PRODUCTS

Breakage rate lower than similar glasses. Due to their special composition, Durobor® glasses are 20% more resistant than most of the glasses on the market. Durobor® glasses allows professionals to extend the lifetime of their glassware.

SUPERIOR RESISTANCE

Durobor® produces durable glasses with increased resistance for an intensive professional use: mechanical shocks resistant.

Based on an usual average breakage rate, Durobor® glasses allow you to save +/- 200 glasses/year in previous selection.

UNIQUE & SPECIFIC DESIGN

Adapted to the professional sector:
While looks are always important,
no line is without a practical advantage

STRONGER RIM

The specific burn off system of Durobor® gives all the resistance to the part of the glass where most abuse occurs: the rim. The bead obtained by the cutting process of Durobor® reduces substantially the risk of breakage at the edge.
