## ABOUT SEVEN SEAS

A home is an amalgam of love and life, and should reflect the attitude and style of the occupants -- especially that of the homemaker. That is the simple logic that inspires the Seven Seas range of products, which brings a touch of international class to your home – by importing stylish, smart and superb kitchenware and household items.

### Why Seven Seas?

Seven Seas brings the world to you, with the best international designs in kitchenware, tools and household items. These products are of the highest possible quality, sourced from the best factories with our direct supervision and quality control. Seven Seas includes not just functional, but also luxurious and high-end products that are stylish, modern and innovative. Despite being sourced from around the world, these products are sure to match your needs perfectly because the designs are customised based on our understanding of the Indian customer's needs.

Name the product and you shall get it from us; plus with our uncanny readiness to customise, you can rest assured that you will indeed get what you really want!

Seven Seas pampers you with all the handiness and bravura you can get—from around the world—making cooking less stressful and more enjoyable, so you can pour all your love into it without being tired out. With its wide spread of kitchen and household articles, it enables you to radiate your style and attitude all through your home.

### What is our vision?

We aim to bring the world within your reach—with the best and most convenient products and brands, keeping in line with modern trends. Our vision is to revolutionise traditional cookware and bring in elements of utility, luxury and class.

We have a wide range of products, not just for your kitchen and dining needs but for other aspects of home-making too, including a ranging of tempting goods for kids. We are focused on constantly revising our offerings, to keep in touch with the latest trends and to excite you with something new and useful every time you come back to us!

In short, Seven Seas aspires to bundle every product with the 'power of seven': quality, affordability, durability, innovation, variety, genuineness and best price.

## SIMAX EXCLUSIVE

Kavalier has been the leading European producer of borosilicate glass for more than 175 years. We offer a very wide variety of products which span the areas of domestic, industrial, laboratory and technical glass, pipes and industrial apparatus. Most of Kavalier's products are being distributed under our brands **Simax** and **Kavalier**

A huge number of customers have broader view these days and therefore their taste is refining. The user's demands and prestigious aesthetical appeals are increasing. SIMAX® brand, which proves its long-term ability to connect own experiences and European tradition with world-class modern design, has definitely something to offer.

The name that SIMAX® brand has on the market allows succeeding also with higher grade product assortment. Pressed and especially blown glass from the rotary blowing machines adopts a higher proportion of manual shaping. Professionally qualified and craft skilled glassmakers perform finishing works mainly using original equipment and tools of our own construction.

The new, redesigned smart handles for significantly safer and more comfortable manipulation emphasize distinctively aesthetical appeal. The visitors of Frankfurt trade fair Ambiente 2013 chose SIMAX® rectangular roaster with smart handles to be the best novelty of the year. Casseroles and roasters collection is dimensionally adapted to common kitchen appliances.

There are three basic shapes in the selection: square, oval and round.

## FEATURE

Simax the borosilicate heat-resistant glass is fully recyclable glassware, which is remarkable for its high temperature and chemical resistance according to the international ISO 3585 standard. All the products are classified as food-contact suitable and have health safety certificate. Products can be used in homes but also in public and purpose-built catering. They represent one of the ways to the energy savings.

Simax the borosilicate heat-resistant glass also meets hygiene standards. It is non-porous, inert to the hot and aggressive fluids effects, it does not receive neither flavours nor odours. Dishes from this glassware are not susceptible to the formation of burns. Any strong stains are easily removable. It is also easily washable manually or in dishwashers.

Simax pressed products are hardened. It means that the products go through a controlled process, during which the pressure stress is created on the surface of the walls and this pressure is constantly protecting the products from the mechanical and thermal shocks. This pressure also increases their resistance from breaking or cracking.
